HOLIDAY GIFT GUIDE 2022

BY GRIFFIN MILLER

From Thanksgiving gatherings to New Year's Eve toasts, and all the "Happys" and "Merrys" in between, our end of year festivities tends to be a savory social jumble of friends and family. Whether dressed up or down, nibbling or feasting, in-person or online, chances are there will be sparkling lights, decked-out halls, seasonal songs and, of course, presents. To guide you on your gift-giving journey, I've filled the following pages with my favorite unique, fun, and enticing finds—all Santa sanctioned, I assure you!

Merry Holidays!

FOR KIDS

3D & ME

What kid (or grown-up for that matter) wouldn't want to channel her or his inner superhero into an action figure? Way possible. The **Hasbro Selfie Series** goes from mobile app to digital face scan to 3D printer to six-inch figurine of the subject as a Power Ranger, Ghostbuster, or G.I. Joe, Marvel, or Star Wars character. Virtually, "self" customization. *Info: hasbropulse.com*

ON THE MOVE

What lives in a backpack under the radar until it unfolds into a cool set of wheels ready to take you... well, anywhere? **Spin Master's Valor Kick Scooter**. Built "small to fit kids' big lives," this baby rocks the title World's Smallest Full-Size Scooter while checking both the durability and smooth ride boxes. Awesome to the nth. *Info: valorscooter.com*
